to James, William

Hi Jim,

Following our discussion yesterday, I request approval to have volunteers on site next week to assist with the removal of Niagara's cover. I would like to have approval for Thursday, Friday and Saturday. I request a minimum of 12 volunteers to assist but more hands would make the process easier and faster.

Thursday/Friday will be days we focus on getting the canvas off and Saturday would focus on rafters and the structure of the cover.

Work will be conducted outside or on the ship. Social distancing and mask wearing will be required and followed per EMM Covid guidelines.

Please let me know if you have any questions or would like to discuss further.

Best,

Christopher Cusson

Hi Jim,

Please let me know what number of volunteers you would be comfortable approving, if possible, to assist with Niagara's cover. I would like to be able to begin contacting volunteers to give them some time to plan. Let me know if you want to discuss this further.

Best,

Christopher Cusson
Captain, U.S. Brig Niagara

Hi Jim,

I am following up about approval for volunteer assistance with removal of Niagara's cover. Let me know if you want to discuss.

Jim that is great, it will help tremendously to be able to get a start on the cover.

I will email ship volunteers requesting assistance with the cover. I will create a sign up for volunteers to ensure we have a limited number of volunteers on site. We will have no more than 20 volunteers on site each day to assist with the cover. Let me know if you have any issue with any of that.

Many thanks!

Hall, James

to me, William

Just try to keep 'em all masked up & as far apart as possible!

We should also make sure to get an accurate accounting of everyone participating in the event we find ourselves in need of contact tracing info.

Anyone feeling under the weather - send 'em home!

Let me know how sign ups go & if you end up needing extra hands - thanks & good luck! - JIM

Great,

We will be sure to follow EMM Covid-19 guidelines including masks and distancing. I will ensure all who assist sign in.

Thanks,

Christopher Cusson [REDACTED]

Hi Jim,

In planning for volunteers to assist with Niagara's cover, I am planning cover days for Friday, Saturday and Sunday to maximize the number of volunteers who can assist up to 20. I am unsure how many will be available on late notice but we will see. Weekends are always better for those who work.
