You'll make it! And, at the end of next April, there will be a celebration.

Yes, EMM received the check today. My understanding is that the email came with the check.

Melissa,

I only have to the end of next April.
that's what I keep telling myself.

Under the circumstances has the EMM received payment?

If not let me know and I will then ask Billy about this.

Mike

Hi Mike,

The below came across my desk today, and I thought you might find it interesting as it insinuates that FNL staff and board members are intimately involved in the operations of the Bayfront Maritime Center. Or perhaps, that FNL and BMC finances are intermingling? Simply making you aware since I know you don't always get the full story.

Melissa

This came up as part of us trying to get our reimbursement from FNL for a school that mistakenly paid FNL for an EMM field trip -----
