Hello Ms. Sivak,

PHMC Commissioner Cal Pifer shared your request for a meeting between you, Katie Zawrotniak, Steve Perry, and representatives of PHMC as an alternative to the public forum you had previously requested.

The new request was discussed at a meeting last week that included Commissioner Pifer, Commission Chair Hayley Haldeman, PHMC Executive Director Andrea Lowery, Bureau of Historic Sites & Museums Director Melissa Mann, and me.

It was agreed that PHMC would consider such a meeting, but not immediately. There are several matters to be settled regarding the Erie Maritime Museum and U.S. Brig *Niagara* that we expect will be resolved within the next few weeks. After those have been resolved we'll reach out regarding scheduling a meeting with you.

Thank you for your interest in the U.S. Brig *Niagara* and the Erie Maritime Museum.

Best,

Howard
