Sean & I had a few minutes to catch up on some things this AM – now that he’s back from his honeymoon & available to us again.

He alluded to getting a few messages from the FNL Volunteer Council while he was gone & that he was surprised to see the Ginny interview published as he know that was a hot button here.

I asked him to forward me what he had gotten & that’s attached – also note the “delay in publishing” caveat in the header below. -- JIM

Dear Brig Niagara, PHMC Maritime Museum, and Lettie Friends:

Just an FYI Reminder: this email list is an un-official group of folks who are interested in the Brig Niagara, the Erie Maritime Museum, and/or the Lettie G. Howard. If you do not wish to receive these emails and would like to have your email address removed, please contact Rod at [REDACTED]

Attached is the Spring edition of [Scuttlebutt News](#), the newsletter of the Niagara Volunteer Council.

The delay in "publishing" **was not** the fault of the writers and editors who do a fantastic job, but rather bureaucratic issues.

We hope you enjoy the stories and information.

Best--Your Niagara Volunteer Council
