The issue is that the America 250PA group keeps contacting FNL directly. Andrea has advised them that this needs to go through us, but I don't think they are getting it.

No one's said anything to the EMM staff about Philly and America 250?

Interesting –

16:15 mark of this, in the next 5 years, “they” look to have sail training programs on the “Niagara, with Lettie G. Howard, [and] once Porcupine [we] can add that...as well”

- They are planning for Tall Ships 2025...
- They are planning on taking the Brig to celebrate the 250<sup>th</sup> of the Navy and USA

If you'll excuse me, I need to go load up on Tylenol...these two give me instant migraines.
