

2020 ANNUAL REPORT

WITH 2019 HIGHLIGHTS

our mission

The Flagship Niagara League is a 501(c)3 nonprofit educational associate organization of the Pennsylvania Historical and Museum Commission chartered to facilitate citizen participation and operation of the U.S. Brig *Niagara* and its homeport, Erie Maritime Museum.

The Erie Maritime Museum is a community gathering place welcoming audiences of all abilities and backgrounds to encounter and experience the maritime history and heritage of the Greater Erie region, including civilian activity and innovation, military service, and Pennsylvania's contributions to the maritime industry and stewardship of the Great Lakes. The Erie Maritime Museum and the U.S. Brig *Niagara* are administered by the Pennsylvania Historical and Museum Commission and are actively supported by the Flagship Niagara League.

The *Lettie G. Howard* is owned by the South Street Seaport Museum and is operated as a programmatic collaboration between the South Street Museum and the Flagship Niagara League.

from the executive director & fleet captain

Dear Supporters of the Flagship Niagara League,

Welcome to the Flagship Niagara League's 2020 Annual Report. As I write this, FNL office staff have been working remotely for thirteen months, and we are preparing for our first virtual Annual Meeting. As we haven't all gathered together since the beginning of the pandemic, our Annual Meeting and this Annual Report will repeat some of the highlights of 2019 as well as 2020. There are also some signs of a promising outlook for 2021 and beyond.

At the end of 2019 FNL entered the off season in the least-tenuous financial position in memory, buoyed by a strong sailing season for both ships and a record-breaking Tall Ships® Erie. This was one of the factors which allowed us to weather a trying 2020. It was truly difficult as spring turned to summer to cancel each of our commitments one by one – school sails, voyaging programs, Mariners Ball, Christmas Tree Ship, and all the rest. For many of us, it was the first time in decades we hadn't gotten underway with students, and at our nadir, the League staff were very few. From a seasonal high of 49 staff and crew at Tall Ships® Erie 2019, we

shrank to as few as six, and have only just begun to slowly rebuild our roster.

However, there were bright spots too in 2020, and the most significant of these was the huge outpouring of support we saw from our members, friends, and shipmates. The list of supporters in this Annual Report dwarfs those of previous years; Erie Gives and our "Don't Give Up Your Ship" campaigns alone brought in nearly \$200,000. We were also able to secure support through the Payroll Protection Program, and a generous grant from the Erie County CARES program. Although in many ways we've all lost an entire year, the League has been able to hold its ground in maintaining and insuring both *Niagara* and *Lettie G. Howard* and has held on to the key staff and partnerships that will allow us to move forward upon reopening.

We are still mapping out that reopening, but it is looking more and more real. With the Erie Maritime Museum reopening on a partial schedule April 30, 2021, we hope to begin limited day sail operations on *Lettie G. Howard* as soon as this June, with *Niagara* hopefully not too far behind. Further down the road, 2022 is our next Tall Ships® Year, and we've had strong interest in the voyaging program, even this far out.

Thank you again for all you do!

Sincerely,

A handwritten signature in black ink that reads "William Sabatini". The signature is fluid and cursive, with a long horizontal stroke at the end.

William Sabatini

422 Students

volunteer program

For the year October 1, 2018–October 1, 2019, *Niagara* ship volunteers contributed 9,461 total hours, including Tall Ships® Erie. The support FNL receives from volunteers are integral to the success of our organization. FNL received the Erie Reader Best of Erie Award for Volunteer Program for 2019.

lettie g. howard

Over the winter season of 2018-2019, *Lettie G. Howard* travelled from Erie to the southern waters of the Gulf of Mexico for the first time in decades, where the schooner spent the majority of her working career. The highlights of this voyage of over 7,000 miles round-trip were several sail training programs, including a partial circumnavigation of Florida with our hometown friends the Autism Initiative at Mercyhurst. *Lettie* returned to Erie just in time for Mariners Ball and spent the remainder of the summer and early fall providing public day sails, school sails, and Tall Ship Summer Camp, serving nearly 6,000 students and passengers.

online engagement in 2020

volunteer online engagement

march 2020–march 2021

In responding to the pandemic and closing of the Erie Maritime Museum, FNL shifted online to engage and communicate with volunteers. Using online web meeting tools FNL conducted daily check-in meetings called Coffee Break which were open to all volunteers. During these sessions volunteers were invited to say hello, check in, and share what was going on in their life. A weekly Saturday Morning Online Volunteer Muster was conducted to update volunteers about the news from FNL and EMM, and to provide an opportunity for more volunteers to engage with each other. Volunteer training sessions have also been conducted in topics of basic sail review, navigation, ship construction, etc. As we continue to move toward opening the museum and getting our ships sailing, volunteers will continue to be critical for our success.

online sail training programs

march 2020–march 2021

During the pandemic, FNL shifted to offering free online sail training programming to the public. Through 2020 and early 2021 FNL conducted three programs which consisted of six sessions of about 1.5 hours and which introduced square rig seamanship and sailing with *Niagara*. These programs were popular and allowed FNL to extend its sail training, brand, and impact internationally, with participants from over 30 countries on six continents.

tall ships[®] erie 2019

presented by
Highmark

Tall Ships[®] Erie 2019 was the largest iteration yet, sprawling from the Bayfront Convention Center to the Holland Street Pier, and attracting an estimated 100,000 visitors. As it now stands, Tall Ships[®] Erie is not only one of the largest maritime festivals in the Great Lakes, but also one of the largest regular Tall Ships[®] events in the hemisphere, and is in serious contention for status as Erie's marquee event.

TSE 2019 saw us welcome a total of twelve ships and two rubber ducks, and expand the breadth of our offerings with features such as a larger slate of sail away vessels and a popular Kid's Zone. Even the weather cooperated, giving us a fair, crisp weekend and a picture-perfect Parade of Sail, which garnered national news coverage. All of this, of course, would not have been possible without the hard work of our organizing committee and a small army of volunteers. The crowning glory of the event was being recognized with Tall Ships America's Port of the Year award.

collections year in review

2020–2021

The Erie Maritime Museum/Pennsylvania Historical & Museum Commission thanks the following for their generous donations to our collections:

Frank and Lisa Bolte

Pamphlet, 125th Anniversary of the Battle of Lake Erie (1938), and photograph of ice fishing on Erie Bay (late 1950s)

Alexa Potter

Material related to Karl Spafford's service aboard USS WOLVERINE (1910s), and photographic images of John Spafford (1864 and 1889–90)

Patricia Trejchel

US Coast Guard Reserves, Port Security Unit, Dress Uniform worn by Philip M. Trejchel (c. 1990)

Flagship Niagara League

Photographic print of US Brig NIAGARA (1994) and Presentation copy of PA Senate Resolution No. 164 (2013)

Edward Bolla

Post Card correspondence from Edward Sharp, Black Crewman, USS WOLVERINE (1908)

Erie Art Museum

Collection of early/mid 20th century images on construction of U.S. Brig NIAGARA (1913–1963)

James Humburg

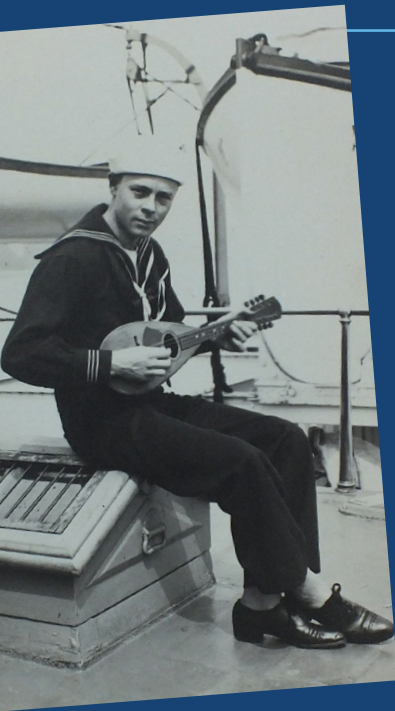

Models of US Brig NIAGARA (2014) and Lumber Schooner RUFUS S. Reed (2008)

Christian Wolford

Ice Boat BLACK ICE (originally SNIPE), Hudson Stern-Steer (1900)

Maritime Collectors

Oil painting in frame, "The Battle of Lake Erie" by Julian Oliver Davidson (1887)

Karl Spafford, Seaman with the Naval Force of the State of Pennsylvania, plays his mandolin onboard USS WOLVERINE, Real Photo Post Card, c. 1911–14. FN2019.3.2, Courtesy Alexa Potter

During Tall Ships® Erie 2019, it was "all hands on deck," and collections was no exception, scheduling a full slate of lectures, films, an art exhibit, and hands on environmental education experiences at three locations on the festival grounds.

When the world turned upside down in 2020, collections responded to the need for continued public access to our Museum during the Covid-19 pandemic by increasing the number of object records and photos available for the public to view online: <https://www.phmc.pa.gov/Museums/Online-Collection/Pages/default.aspx>

Objects continued to be accepted and processed for the Museum's permanent collections through 2020. After years of exhibition on loan, the Museum accepted Maritime Collectors' gracious gift of the iconic painting, "The Battle of Lake Erie" by Julian O. Davidson.

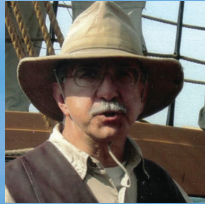

Partnerships in the community continued to be supported. The Erie Maritime Museum contributed an article to the Erie County World War One Centennial Committee's

book, *Answering the Call, Erie County Pennsylvania in World War One* (to be released in May 2021).

To continue making a museum experience available to the public, the Museum's first ever online exhibit was created, *To the Victors! A Virtual Exhibit on the Spoils of War*: <https://www.eriemaritimemuseum.org/virtual-exhibits>. Two of the Museum's videos were posted to the Flagship Niagara League's YouTube channel, with nearly 3,000 views. Collections worked to support the Museum Educator's extensive work in developing new virtual offerings, and made quality material available to him for social media posts.

Research requests continued to be fulfilled, all via email and phone. Requests came from as nearby as local university students, and as far away as the Royal Armouries in London. The largest area of growth, however, came from the public at large, seeking information about their ancestors, or broadening their horizons by learning more about our local history. Every one of these concluded with a promise to visit the Erie Maritime Museum as soon as possible!

changing leadership at the erie maritime museum

Walter Rybka

The past year saw a change in leadership at the Erie Maritime Museum. Captain Walter Rybka's retirement marks the end of an era for the modern *Niagara*. It is hardly possible to list all of Captain Rybka's achievements here, but first among them for us is the foundation of *Niagara's* sailing program. He is a revered figure in sail training, a true scholar, and has probably touched the careers of half of the traditional and square-rig sailors in America today. We salute him, and hope for his regular presence at our soon to reopen museum.

James Hall

Joining us as the new Site Administrator at the Erie Maritime Museum is James Hall, who is no doubt as keen as any of us to see the museum doors open again. Most recently as Park Superintendent of First State Heritage Park in Dover, Delaware, Jim has built a strong and varied resume in Public History, and brings onboard expertise in Environmental Education, Cultural Resource Management, and Interpretive Planning. An alumnus of Penn State Behrend and a keen outdoorsman, he was eager to return to Erie.
