GDay,

See below my last communication with Captain Bailey.
We needed to receive an SLSMC application for vessel preclearance, before the vessel transited our lock system.
As well, a security deposit (by credit card) was required before the vessel entered Welland lock 8 for fees applicable to her transit.
You should have received, this morning, by email this invoice:

(See attached file: Billing_0090191921.pdf)

Should you require more information, please do not hesitate to contact me.

Kind Regards
