Good afternoon,

See attached estimate for a class 1 vessel with a Canadian pilot onboard, it could be a US pilot from Cape Vincent to Snell depending on the flagging.
We have invoiced Flagship Niagara League in the past for this vessel, please confirm if we still invoice them.

If you have any questions not hesitate to contact me.

Best regards,

Julie,
Nice speaking with you. I am requesting an updated estimate for Niagara's transit of the St. Lawrence Seaway from Port Colbourne, ON through the St. Lambert locks. I would like a pilot aboard for all locks/canals. At this time I am planning to make the passage through the Welland Canal on Friday May 9th.
