I'll also attach a copy as a word doc.

Hands Wanted to deliver Niagara from Erie, PA to Maine:
Niagara is still looking for a few deckhands with experience to join her crew. The job could begin anytime next week but applications will be accepted until all the spots are filled or departure, whichever comes first. The position will terminate shortly after arrival in mid-coast Maine somewhere around on or around the 1st of June. Candidates must have the ability to work in the USA and have a valid US passport. Pay is \$1800. Travel to and from the ship will be arranged by you but reimbursed by the ship. Please send a resume or brief description of your experience to [REDACTED]

Also, I've still a few open deckhand positions that I'm actively trying to fill. If you can think of any US citizen Picton Castle hands that are on the beach, send them my way. This email is best.
