This is actually well timed, as the invoice/receipt we originally submitted was returned on Wed., for various reasons... suffice it to say this clean version you sent below should assist with.

However – would you be able to provide a complete invoice that details your company info, our company info, and USD?

Yes, that would correct as I suppose it's easier since he will be the main point of contact for logistics and billing.

We are continuing to work on the payment process of this.

Hi Tyler,

In this email, Greg was asking us to send the invoice to Eric Maritime.
